

REMARKS

Entry of the foregoing and prompt and favorable consideration of the subject application are respectfully submitted.

By way of the present amendment, the specification has been amended on pages 63-65 to correct chemical structures. Claims 9 and 6-20 have been amended and claim 13 cancelled to incorporate the Article 34 amendments made to the PCT application. Claims 21-24 are newly-added. No new matter has been added. Both a clean and marked-up copy of the specification are enclosed.

In the event that there are any questions related to this Second Preliminary Amendment, or the application in general, it would be appreciated if the Examiner would telephone the undersigned attorney at the below-listed telephone number concerning such questions so that prosecution of this application may be expedited.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
